

HANDMADE IN SWEDEN

Founded in 2011, *Stockholm Text* is a digital-first publisher, presenting world-class fiction and non-fiction literature of Scandinavian origin to the world. We take great pride in our Scandinavian heritage. From bestselling crime fiction and general fiction to provocative non-fiction and niche publishing, our aim is to entertain, engage, and ignite the minds of readers.

→ When you find blood on the bookmark you know you are close to a thrilling Swedish crime novel.

→ Representing some of the most progressive authors of Scandinavia.

→ Introducing both international bestsellers and hidden gems of the region.

→ Finding an audience through creative pr and book trailers.
