

1 in every 4 Swedish women has read *Yesterday's News*.  
Why? It is Sweden's #1 feel-good novel of the 21<sup>st</sup> century!

*"Kajsa gives her characters warmth and life by making them so easy to identify with.  
That's wonderful. Her use of language is a pure joy to read."*

—Swedish newspaper

**RELEASE DATE: MAY 15 2012**

*"Very exciting! Difficult to put down. Unplug the phone; this is not a book you want to be disturbed while reading!"*

—TV 4, Sweden's largest TV-channel

### ***Yesterday's News***

Kajsa Ingemarsson

Romance Novel

ISBN: 978-91-87173-09-7

Translation by: Neil Betteridge

Formats: Trade paperback and e-book

Release date: May 15

Rights: 16 languages

Copies sold: Ca 1 million

*"It wasn't the first time someone had grabbed her breast. Nor was it the first time a man had panted in her ear and pressed his hard crotch against her. But it was the first time someone was doing it against her will."*

The woman in trouble is Agnes. In *Yesterday's News* she will rebound from personal tragedy and find courage in the face of the unknown. In the end she stands there as the hero of her own life.

Juicy and satisfying, *Yesterday's News* is a story about daring and winning and about faith in yourself, a feel-good novel sure to please any romance lover looking for the perfect summer read.

In the same tradition as **Nora Roberts**, **Mitch Albom** and **Julie Powell**, Kajsa Ingemarsson represents a new generation of contemporary fiction. With almost a million readers in Sweden alone, *Yesterday's News* is one of Sweden's greatest bestsellers of all times.

*"It's simple without becoming banal. It's readily accessible, easy to read and, above all, touching."*

—Swedish newspaper

*"It provides an entertaining insight into Stockholm's restaurant scene, as well as a fine portrait of people and destiny in an industrial town wracked by crises... a book that's easy to read but not light weight..."*

—Swedish newspaper

# Stockholm Text introducing Sweden's #1 bestselling non-crime author of the 21st century:

*Kajsa Ingemarsson*

In light of America's obsession with all things cool, cultured and Scandinavian, meet Kajsa Ingemarsson. One of Scandinavia's most beloved authors, Ingemarsson now ventures forth from her native Sweden to introduce her humorous, enigmatic and courageous characters to the American readers.

Thanks to innovative e-book publisher Stockholm Text and a well-polished translation, Kajsa Ingemarsson can finally share her creative stories with the English speaking world. And with a feature film based on *Yesterday's News* currently in production, what better time for this sensational Swedish story to become accessible to North American readers?

## Some of thousands of reader comments:

"I never wanted it to end!!  
Cute, humoristic, sad and  
just so familiar, straightforward  
and unvarnished."

"A few Swedish authors makes  
me run to the bookstore.  
Kajsa Ingemarsson is one  
of them. Totally fantastic!"

"The book is an easy to read  
masterpiece."
